Your Small Business Resource
Every day, the U.S. Small Business Administration and its nationwide network of partners help millions of potential and current small business owners start, grow and succeed.

Resources and programs targeting small businesses provide an advantage necessary to help small businesses effectively compete in the marketplace and strengthen the overall U.S. economy.

SBA offers help in the following areas:

- Starting a Business
- Financing a Business
- Growing a Business
- Opportunities in Contracting
- Recovering From Disaster
- A Voice for Small Business in Government

Visit SBA online at www.sba.gov for 24/7 access to small business news, information and training for entrepreneurs.

All SBA programs and services are provided on a nondiscriminatory basis.

There has never been a better time for you to do business with the Federal government, the world's biggest purchaser of goods and services.

If you are exploring opportunities that exist for your business or have just started selling to Federal agencies, this workshop is for you.

Learn how to make your way through the procurement process and compete effectively for your share of the Federal government's business. There will be an overview of SBA's various contracting programs including the 8(a) Program and HUBZone Program.
